

## Material Safety Data Sheet for Biological Cells products

### 1. Name of Product and Company

Product Identification: BIOLOGICAL FLUIDS & Cells  
Product Name: Custom Cell Isolation  
Source: Human Tissue, Project Specific  
Product Code:

Company and Emergency Contact Information:  
Dynacell Life Sciences, LLC  
Mail Stop 213.  
Spring House, Pennsylvania USA  
Tel: 215-813-8775  
Fax: 512-727-1868

### 2. Physical and Chemical Properties

Form: Frozen  
CAS NO:  
Molecular Weight: Unknown  
Source: Human Tissue, Project Specific  
EC NO:

### 3. Hazard Identification

**WARNING:** Usual precautions are to be taken when handling chemicals and/or materials of biological origin.

### 4. First Aid Measures

Eye and skin Contact: Flush Eyes With Water and Seek Medical Advice  
Innoculation and Ingestion: Seek Immediate Medical Advice

### 5. Fire-Fighting Measures

Extinguishing Media: No restriction known  
Thermal Decomposition: Unknown

### 6. Accidental Release Measures

After spillage: Dilute spilled substance with plenty of water and bleach  
Absorbant Material: No restriction

**7. Handling and Storage**

Handling: Follow Good Industrial Hygiene practices in handling. As with any materials of biological origin, use universal precautions at ALL times.

Storage: see certificate of analysis for proper storage temperature of product

**8. Exposure Controls**

Eye Protection: Protective Glasses

Hand Protection: Protective Gloves

**9. Reactivity and Stability**

Hazardous Reactions: Unknown

Hazardous Decomposition Products: Unknown

Stability Conditions: Unknown

Polymerization: Unknown

**10. Toxicological Information**

UNKNOWN LD FOR ORAL, SKIN OR INHALATION

**11. Ecological Information**

Hazards: Unknown if substance is hazardous to water and ground water

**12. Disposal Considerations**

Waste Disposal Route: Dispose according to local, state and federal regulations for materials of biological origin

Dynacell Life Sciences, LLC assumes no liability whatsoever for the accuracy or completeness of the information contained herein and are intended to be followed only by persons having related technical skill and at their own discretion and risk. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exists. The statements herein are offered for informational purposes only and are intended to be used solely for your consideration, investigation and verification only. It is up to the user to undertake sufficient verification and testing to determine the suitability for their own particular purpose of any information or products referred herein.
